

Dear Dr. Popper,

Hope you had a wonderful
Holiday. Wanted to Thank you &
your staff for being so kind &
considerate when I had my implant
surgery. Special thank you to
you for encouraging me to proceed,
But most of all for understanding
my unfounded fears. You have
hands of gold & are a genius.
Now I can't wait to get my
real teeth.

Happy New Year
to all

Love

Deane

Dear Dr. Popper &
Staff

Ring in the new year
With a note
of thanks to you
And warm and special wishes
for a happy new year too!

Fondly
Deane
